

Tactical Advantage Through Independent Research

LONGBOW Research

3rd Annual Industrial Manufacturing & Technology Investor Conference

Longbow Research would like to remind you about its third annual Industrial Manufacturing & Technology Conference for Institutional Investors to be held in New York, NY on Sept. 16, 2010.

The event will provide investors an opportunity to attend both group presentations (shown at right) and one-on-one meetings with management of participating companies.

For hotel accommodations, please contact:
The Millennium-Broadway Hotel
212.768.4400
